

IS for Business: An Experiential Approach

Table of Contents

Chapter 1: The Value of Information

Focusing Story: How Information Cost Me (a Lot of) Money

Learning Activity 1.1: The Rapid Growth of Information

Learning Activity 1.2: A Day in My Technology-Free Life

Information and Emerging Technologies

Stats Box 1.1: Top IoT Application Areas

Business Example Box 1.1: Artificial Intelligence's Impact on Business

Learning Activity 1.3: Using AI Tools Responsibly

Learning Activity 1.4: Autonomous Vehicles

Data, Information, Knowledge, and Wisdom

Business Example Box 1.2: Business Impacts of Information Quality

Information Literacy

Learning Activity 1.5: Dimensions of Information Quality

Information Quality

Business Example Box 1.3: Information Quality as an Ethical Issue

Learning Activity 1.6: How I Use Information

Uses of Information

Learning Activity 1.7: How Businesses Use Information

Information and Your Career

Business Example Box 1.4: Promising Information Careers

Glossary

Chapter 2: Introduction to Information Systems

Focusing Story: Registering for Classes in 1981

Learning Activity 2.1: Identifying My Information Systems

Why All Business Professionals Need to Be Information Systems Managers

Learning Activity 2.2: Components of a System

Overview of Systems

Learning Activity 2.3: Components of a Business Information System

Foundations of Information Systems

How Information Systems Help Us Deal with Information

Business Example Box 2.1: How Uber Provides On-Demand Service with Information Systems

Learning Activity 2.4: Information Systems and Change

How Information Systems Facilitate Organizational Change

Business Example Box 2.2: AgTech—Making Farming More Efficient and Sustainable

Common Information Systems

Glossary

Chapter 3: Storing and Organizing Information

Focusing Story: The Database Behind Facebook

Learning Activity 3.1: Comparing Chatbots

Learning Activity 3.2: Data for an Amazon Order

Stats Box 3.1: Digital Data

Overview of Relational Databases

Learning Activity 3.3: Connecting Data Elements

Databases versus Spreadsheets: When to Use a DBMS

Database Diagrams

Learning Activity 3.4: Finding Business Databases Online
iTunes Match

Online Database

Big Data

Learning Activity 3.5: Fitness Trackers

Big Data at Facebook

Glossary

Chapter 4: Analyzing Information for Business Decision-Making

Focusing Story: How a Spreadsheet Helped Me Make a Hard Decision

Learning Activity 4.1: Information and Decision-Making

The Importance of Good Decision-Making Skills

Learning Activity 4.2: What Kind of Information Do I Need?

Using Information for Decision-Making

Business Example Box 4.1: Why Do Managers Make Bad Decisions?

Types of Decisions

A Decision-Making Process

Learning Activity 4.3: What Kind of Information Do I Need?

Information Retrieval and Analysis Tools

Learning Activity 4.4: “What If” I Get a 75% on the Final?

Learning Activity 4.5: Generative AI and Spreadsheets

Stats Box 4.1: The Cost of Spreadsheet Errors

Glossary

Chapter 5: Information and Knowledge for Business Decision-Making

Focusing Story: Managing Knowledge by Texting

Learning Activity 5.1: How You Manage Knowledge

Knowledge Management

Why Managing Knowledge Is Important

Main Processes for Knowledge Management

Business Example Box 5.1: The Issue of Trust in Knowledge Management

Learning Activity 5.2: Wikis for Managing Knowledge

Knowledge Management Technologies

Learning Activity 5.3: Using a Decision Support System

Decision Support Systems and Collaboration Systems

Learning Activity 5.4: Slack for Student Team Projects

Business Analytics

Business Example Box 5.2: Explaining Profitability Problems through Visualizations

Learning Activity 5.5: Effective Visualizations

Artificial Intelligence

Business Example Box 5.3: Applications of AI

Business Example Box 5.4: Agricultural Robots

Learning Activity 5.6: Are AI and Robots Good or Bad for Society?

Glossary

Chapter 6: Transmitting Information

Focusing Story: The Rise of Mobile Wi-Fi: Hotspots

Learning Activity 6.1: How Does That Car Drive Itself?

Introduction and Definitions

Types of Networks

Learning Activity 6.2: Broadband in Developed Countries

The Internet

Learning Activity 6.3: Who Is Using the Internet?

Business Example Box 6.1: Internet Application of the Day: Get a Degree Online!

Learning Activity 6.4: A Future Internet? Internet2 and Business

Networking Architectures

Learning Activity 6.5: Architecture and Principles

Communicating Information in Modern Organizations

The Power of Wikinomics (Crowdsourcing)

Learning Activity 6.6: Web 3.0 versus the Internet of Things

Stats Box 6.1: Diffusion of Innovations Timeline

Glossary

Chapter 7: Securing Information

Focusing Story: My Mac Is More Secure than Your Windows-Based PC!

Introduction and Definitions

Learning Activity 7.1: How Protected Is Your Computer?

Information Security Threats

Learning Activity 7.2: Detecting Phishing

Learning Activity 7.3: What Do Hackers Break into the Most?

Business Example Box 7.1: Even Big Technology Companies Can Be Hacked

Business Example Box 7.2: Costs of Data Breaches

Security Technologies and Solutions

Learning Activity 7.4: How Strong Is Your Password?

Learning Activity 7.5: Biometrics on the PC

Stats Box 7.1: Security Policy Violations

Learning Activity 7.6: Breaking the Encryption

Business Example Box 7.3: Expert Advice on Protecting Your Home Wireless Network

Learning Activity 7.7: IoT Security

Learning Activity 7.8: Where Is the Security?

Artificial Intelligence and Cybersecurity

Glossary

Chapter 8: Protecting the Confidentiality and Privacy of Information

Focusing Story: Perceptions of Anonymity

Introduction and Definitions

Information Privacy Threats

Learning Activity 8.1: Privacy and Smartphones

Learning Activity 8.2: Concern for Information Privacy

Learning Activity 8.3: Privacy How To: Voices of Privacy

Stats Box 8.1: Perceptions of Monitoring

Consequences of Privacy Violations

Stats Box 8.2: Fraud Type from Identity Theft

Technologies and Solutions for Information Privacy

Stats Box 8.3: The Black Market for Stolen Identities

Learning Activity 8.4: Surveillance Societies Around the World

Learning Activity 8.5: Privacy Policy Creation

Business Example Box 8.1: Privacy and Facebook (Meta)

Learning Activity 8.6: Why Your Advisor Cannot Talk to Your Parents

Mobile Information Privacy

Government Information Privacy Regulations

Business Example Box 8.2: COPPA in Practice

IoT and Privacy

Privacy and Ethics

Learning Activity 8.7: PAPA, Privacy Policies, and FERPA

Ethical Decisions

Learning Activity 8.8: Making Ethical Decisions

Relationship Between Security and Privacy

Glossary

Chapter 9: Developing Information Systems

Focusing Story: Software Failure Ruined My Vacation

Time, Cost, and Quality

Learning Activity 9.1: Determining Requirements

Software Development Methodologies

Traditional Systems Development Life Cycle

Learning Activity 9.2: Advantages and Disadvantages of the SDLC

Stats Box 9.1: Information Technology Failures

Learning Activity 9.3: Developing by Modeling

Alternative Methodologies

Learning Activity 9.4: Comparing the Methods

Learning Activity 9.5: App Developers Needed!

Build or Buy Decision

Learning Activity 9.6: How Open Source Software Impacts Build versus Buy

Using Open Source Software in Business

Business Example Box 9.1: Open Android versus Closed iOS

Learning Activity 9.7: What to Outsource

Outsourcing Information Systems

Business Example Box 9.2 Reversing the Outsourcing Decision

Glossary

Chapter 10: Information-Based Business Processes

Focusing Story: Improving Processes Is for Everyone!

Learning Activity 10.1: How Many Steps in This Process?

What Is a Process?

Process Modeling

Learning Activity 10.2: Model This!

Technology and Processes

Process Improvement

Business Example Box 10.1: Banking Process Improved via Blockchain

Learning Activity 10.3: Informal Business Processes

Learning Activity 10.4: Redesign This!

Business Example Box 10.2: Quicken Loans Rocket Mortgage: Moving the Mortgage Process Online

Learning Activity 10.5: Mendix

Glossary

Chapter 11: Enterprise Information Systems

Focusing Story: Supply Chain Innovations at Walmart

Learning Activity 11.1: Finding the Components of an Enterprise System

Enterprise Systems

Enterprise Resource Planning (ERP)

Learning Activity 11.2: The Online Beer Game

Stats Box 11.1: ERP Market

Business Example Box 11.1: ERP Is Not Always a Horror Story: Cisco Implementation on Time and Budget

Supply Chain Management Systems

Stats Box 11.2: Supply Chain's Impact on Company Performance

Learning Activity 11.3: Blockchain and Supply Chain Management

Learning Activity 11.4: Customer Relationship Management

Customer Relationship Management Systems

Stats Box 11.3: CRM Vendors

Learning Activity 11.5: Successfully Implementing Enterprise Systems

Customer-Managed Interactions (CMI)

Warehouse Automation and Robotics

Learning Activity 11.6: Warehouse Automation with AI

Glossary

Chapter 12: Information for Electronic Business

Focusing Story: How Artificial Intelligence Impacts Electronic Business

Learning Activity 12.1: Why Is E-Business Important?

Introduction to E-Business

Stats Box 12.1: Retail E-Commerce in the United States

E-Business Models

Business Example Box 12.1: Adapting Its Business Model: Amazon.com

E-Business Enablers

E-Business Impacts

Learning Activity 12.2: Why Would I Trust Them or Buy from Them?

Design for E-Business

Business-to-Business (B2B)

Learning Activity 12.3: B2C versus B2B

Search Engine Optimization

Learning Activity 12.4: Where Is My Web Page?

Trends in E-Business

Stats Box 12.2: The Global Nature of E-Business

Glossary

Chapter 13: Gaining Strategic Value from Information

Focusing Story: Health Care on My Smartphone

Strategic Information Systems

Strategic Planning Process

Learning Activity 13.1: Trends in Top Management Concerns

Frameworks for Strategic Information Systems

SWOT Analyses in Practice

Evaluating Strategic Initiatives

Learning Activity 13.2: What Does This Company Need for Success?

Stats Box 13.1: CSFs for Implementing Web Portals in Australia

Learning Activity 13.3: AI for Competitive Advantage

Hypercompetition: Sustainability of Competitive Advantage

Learning Activity 13.4: Disrupting an Established Market!

Glossary

Index

Appendix A: Computer Hardware

Appendix B: Computer Software

Appendix C: Access Fundamentals

Appendix D: Advanced Access

Appendix E: Advanced Database Concepts

Appendix F: Excel Fundamentals

Appendix G: Advanced Excel

Appendix H: Networking Basics

Appendix I: Security and Privacy

Appendix J: Funding Information Technology

Appendix K: Managing IS Projects

Appendix L: Evaluating Information
